This photo taken by me inside of my factory.
Fake sellers are copying my photos from my
company website and they doing fake offers.
Our ethanol's just seller is www.aytash.com

Ethanol in 1000 liters IBC

Ethanol in 220 liters Plastic Drums Type I

Ethanol in 230 liters Plastic Drums Type II

Ethanol in 220 Liters Steel Drums

Exporting ethanol in drums mostly our customers prefers to buy in 220 liters Steel Drums. The drums which using in manufacturing are new drums. Cap is sealed. For Iraq or upon request we can do SGS confirmation.

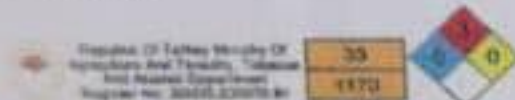

This is our company webpage.
They copying from our website.
